In the Chief Court of Mysore.

Bangalore Friday the 1st day of December, 1882.

Before C. A. Plumer Esquire Acting Chief Judge

Second Appeal [illegible]

decision of the Subordinate Judge of Kolar in Appeal Suit No. 64 of 1882

Sreenivasa Madhava Theerthasawmy } Plaintiff - Appellant

vs

Soognanavidheeswamy - Defendant - Respondent

Judgment

No objection has been taken on the part [of] Defendant to the decree of the Subordinate Judge, and Advocate for Plaintiff has failed in my opinion to [show] any satisfactory grounds for my interference.

I ~~think~~ on the pleadings ~~that the~~ [illegible] would have been justified in dismissing the suit [illegible] the Plaintiff [illegible] rights on the part of Defendant [illegible] for consequential relief. I [illegible] further [illegible] [illegible] [illegible] the Court is to declare that a person [illegible] the right [illegible]

Court would act wisely in the exercise of the discretion vested in it by law in refusing to grant a decree declaratory of such right.

If a person or a number of persons has or have the right to pass along a certain street in procession &c and if any unlawful obstruction is offered to the legal exercise of that right, the proper remedy is by suit to recover damages for the obstruction.

For the Courts to declare that a person or number of persons has or have the right to pass through a certain street in procession with music is merely to declare rights common to all, but ~~of such rights in general~~ terms by Civil Courts decrees may very possibly lead to extremely mischievous results, and such decrees will certainly hamper the magistracy in the exercise of their duty as Guardians and preservers of the public peace.

No person can claim as of right any declaratory decree. If any lawful rights are infringed or their exercise restricted or obstructed then the remedy is at law, viz. a suit for damages for the obstruction ~~the restriction~~.

In this Province, a general order has been passed by the executive regulating processions

music ~~tea~~ Such an order has been in force for some years. It is an order which, in my opinion, the executive has full power and authority to pass. It is in this country, at all events, a most necessary order. The order lays down in clear and precise ~~terms~~ rules for the guidance of the magistracy and Police as to the regulation of processions.

The Civil Courts in my opinion would exercise a wise discretion by refusing to grant a ~~declaratory decree which would~~ weaken or impair the authority of the order of the executive. In refusing to grant such declaratory decree, ~~the~~ Courts are acting within the discretion vested in them by law and there is no denial of justice for, as I have said, the Courts are open to all who have been illegally obstructed in the exercise ~~of their lawful~~ rights.

I dismiss ~~this~~ 2nd appeal.

Sir,

I have the honor to ~ acknowledge the receipt of your docket No. 234 of the 9th July 1887 giving cover to a petition from Sreenevasachar agent of the Sreepadaraya Mutt at Mulbagal for report and with reference thereto ~ forward herewith the Vernacular records received with the Amildar's report No. ~~678~~ 217 ~~dated 9th~~ of 23rd August/87 as per accompanying list from which it will be observed that the Complaint of the Petitioner was disposed of by me directing that as observed by Mr. ~ Krishnaiengar in his order No. 63 of 17th January 1879 the Guru of one Mutt should not pass with his music before another Mutt subsequently the Agent of the Majjigenhalli Swami Mutt ~~agitated~~ agitated

copy filed with Proceedings.

ying
Mutt had formerly no door or gate way towards the north where the Sreenevaspur high road passes but in a lane towards the east of the said Mutt, and that the present gate was newly opened about 12 years ago when the first mentioned Guru was absent from Mulbagal.

The Amildar who enquired into the matter reports with depositions of several witnesses of local experience who support the allegation of the Maggenaballe Mutt saying that the old door in the lane was closed some time back by ~~[illegible]~~ Sreepadaraya opening a new one towards the Sreenevasapur High road which the former uses.

Proceedings of the Dewan of Mysore

Read

Petition No 783 dated 2nd July 1887 from Srinivasachar, Agent of the Sripadaraj Matt at Mulbagal complaining that the Majjigehalli Svami passed in front of the said Matt with music.

Also Letter No $\frac{944}{296}$ dated 19th September 1887 from the Deputy Commissioner, Kolar District, reporting on the subject.

Order thereon Camp No 1560 dated Mysore 15th October 1887.

The order of the late Deputy Commissioner dated the 29th June 1876 No $\frac{749}{77}$ prohibiting the passing of the Majjigehalli Matt Svami with Music, in front of the Sripadaraj Matt which was also confirmed by the present Deputy Commissioner in the first instance, should not now be disturbed.

The allegation that the Sripadaraj Matt about 12 years ago opened a new gate on the north adjoining the main road is of no im[portance]

(191)

as the Deputy Commissioner's orders of 29th June 1876 had reference to that particular gate. Moreover the period for which this gate has been admitted to be in existance is so long as to render it undesirable now to deprive the Sripadaraj Matt of the privilege claimed with reference to procession passing in front of this gate. It is inexpedient to revive disputes of this kind which have been set at rest once, and the Deputy Commissioner's orders dated 6th July 1887 prohibiting the Majjigehalli Matt from passing with music in front of the Sripadaraj Matt are hereby confirmed and must be duly inforced.

Dated Bangalore 21st March 1893

Replied No 96 23.3.93 / copy [illegible] 25/3

The Guru of the Majjigehalli Mutt solicits a reconsideration of the orders passed in Proceedings Camp No 1560 dated 15th October 1887 and endorsement No 2199 dated 9th December 1892, in the matter of the right claimed by him to pass with music in front of the Sripadaraja Mutt at Mulbagal. It is urged, on his behalf, that the etiquette elsewhere observed, - of the Guru of one Mutt stopping music when passing another Mutt in procession is not followed at Mulbagal, and that the Gurus of Krishnanandaswami Vyasaraya and Uttaradi Mutts, have, like the Guru of the Majjigahalli Mutt

As it is desirable to have exact information regarding the local usage asserted, the Deputy Commissioner is requested to examine the local representatives of the several Mutts at Mulbagal, and other persons likely to possess information on the point, and to report, as early as practicable, whether by local usage the Guru of one Mutt is allowed to pass in front of another Mutt with music playing, and if so whether the act is allowed when the Guru of the latter Mutt is residing in the Mutt as well as when he is absent from it

Dewan to His Highness the Maharaja of Mysore

MYSORE DEWAN'S PETITION DEPT.
REG'D. N 3070 R
DATE 19-5-93

Most Honoured Sir,

The undersigned most respectfully Showeth:—

1. That when the Maggihally mutt tried to pass in procession before the Sripada Raj mutt with music & insignia orders were issued by the Deputy Commissioners, Messrs Krishnaiyengar, Subba Rao & Abdul Rahman preventing the former mutt from so doing. That on a civil suit which the Maggihaly mutt filed to establish the claim the Chief Court ordered that it does not lie within the province of the Court to secure them rights in opposition to the decisions of the Deputy Commissioners. That again when the agent of the Maggihally mutt appealed to your honour, your honour was pleased to issue two endorsements to the effect that the appeal was rejected.

2. That on a petition which Madu Rayachari, the agent, made to your honour omitting altogether the mention of previous decisions, the Amildar is now holding inquiries on the subject.

This right which one mutt has as against another is a long-standing one, and it is a thing that is even now being exercised in other places

mds. this is not an outcome of the Gover-
nment proceedings which were passed
after the notorious riot of the Mohome-
dans & Hindus. The Government proceed
ings say that there should be a cessa-
tion of music, &c. which passing before
places of public worship. In ~~the~~ claims
Mutts want to exercise there is an essen-
tial difference. This is a claim put for-
ward not by all the mutts that may
exist in a particular place, but by that
one which is long-standing. No doubt
there are different Mutthums in Mulbagal
but each has its centre elsewhere. For ins-
tance, the centres of Sringeri Mutt is Sringeri
of Uttaradi Mutt, Narsipur; of Vyasa
raya Mutt, Sosale; of Raghavendra
swamy mutt, Mantralaya & Nanjana
Good; of Parakala Mutt, Mysore
In Mulbagal, at present, there are
a number of mutts but they are not the
central head quarters of them all, but
they are simply temporary lodgings
Mulbagal is the head-quarters of the Sri
pada Raj Mutt alone. While the Maggiha
lly mutt is only of recent appearance. Con-
sequently it is the customary right of the
mutt to demand the abovesaid honour

To show that this is the right of the
Sripadaraja Mutt, there is the mahajar
of all the four mutts, protesting against the
right of the Maggiahally Mutt to pass with
music & insignia. There are for instance, tem-
porary lodging of the Sripadaraja mutt
in Kumbakonam & other places, and
these lay no such claim as the central
mutt does. The mahajar has been annexed
to the previous records

Finally what the petitioner

begs of your honour is, ~~that~~ in asmuch as Correct information can be had only from the heads of the Mutts, and not from the mahajans of the Common public or the financial representatives of the different mutts, your honour will be pleased to refer direct to them and on proper inquiries, Confirm the orders previously given.

For this act of kindness he prays for your honour's long life & prosperity

He remains

Your most Ob[e]diently.

Mappigehalli Matt is entitled to pass in front of Sripadaraya Swamy Matt with all its insignia and with music. So long as this evidence has to be accepted, the conclusion is irresistible that on the strength of this the facts are established quite in favor of Mappigehalli Matt. It has to be noticed however that on the side of Sripadaraya Swamy no positive evidence is forthcoming & no citation of any circumstance is made showing on what grounds they base their opposition. Beyond criticising evidence adduced on the opposite side — no proof of any thing is put forward in support of its own contention. Thus therefore, the Committee feel and think it should rate le ...

in facts in favour of Maffigi halli
Matt as to the title in possession or
a, to its right to pass in front of
the other matt namely of Srepodaroya
Swamy and declare that one to
right is established.

But at this stage the Committee
would beg leave to submit that it
does not recommend to Govt.
adoption of this finding of fact
and issue of a rule in simple accord
therewith. In the view of the Committee
such a step would not secure
a finality of the dispute. An
executive order of that kind would
still tempt one party or the other to
indulge in litigation in courts & speculate
in vicissitudes attendant on
such litigation. Nor will it be
satisfactory to the parties who have
come before Govt. for a decision
between them.

of this circumstance the Committee are desirous of once more going into detail in regard to the Nirook of H H and of pressing upon the consideration of Govt, the full import of this Nirook as a Mandate nay as a ~~[illegible]~~ legislation, as the decision ~~[illegible]~~ of the rulers of the land with regard to the matter not simply between party & party but as a law to be abided by all by in Mulbagul by all parties concerned living there. It is a sacred place in itself on way to another sacred place of foremost rank. It attracts not people & matters not to itself merely but on way to a more important place to which even rival religions are devotees. Therefore this place should be free from hampering local customs

[illegible]

The order of reference to the committee directs that the most suitable form of settlement of this long standing dispute between the two Matts of Majjigehalli and Sripadarajaswami -- should be reported. Bearing this aim in mind, the committee - after first, going over the history of this contention between the parties, considered that although basing its conclusion on facts, it could record a recommendation, unequivocally pronounc -ing in the affirmitive and negative on the right - claimed and denied by the first and the second party respectively, yet, the committee preferred to adopt a course - which having regard to the local condition of things has in it the soundest policy of terminating this matter satisfactorily, without further chance of its revival.

The origin of this dispute in the days of the commission was in the year 1875 when induced probably by the opening of newly of the Mulbagal-Sreenivaspur Road, Sripadarajaswami Matt opened a door on the north into this road. Its ancient door-way faced a lane on the East which while it was even then a public way of only secondary importance necessarily fell off considerably lower on the creation of the new high-way.

It must be premised that the order promulgated in 1868 by the Chief Commissioner regulating the processions of parties of different religions in front of places of worship was the period of revival of many a smouldering and dormant rival -- spirit. The case in question formed no exception. The committee wish to lay stress on the point that as remarked above the -- spirit of hostility between these two contending Matts was revived after this procession order. It was in existence at a more ancient date, but it had been set at rest. It was forced up again when favored by such an opportunity. This the committee will refer to more definitely hereafter.

As regards the enquiries made from time to time on the complaints of the parties, and the orders passed by the District

authorities on such investigations the committee wish to be permitted to observe that the real spirit of the Chief Commissioner's order of 1868 was lost sight of in their natural anxiety as administrative officers of the District and as Magistrates, bound to keep peace without disturbance, but orders were passed to suit the occasion so as to keep away the parties at arms length without the least chance for a breach.

Mr. Krishnaiengar's order No. 77, dated 29th June 1876 is to the effect that one Guru of a Matt is not to pass in front of another Matt and is set out in the most general terms. This order has to be specially noticed because, in experience from the date of notification of 1868 up to the present day, it is found that Matts of several sects following the same religion treat one another in the most amicable manner and do not object to processions of their friendly sects passing with music and insignia without any fear of molestation. Exceptions to this rule exist where special practice or custom has existed. All appeals against this order proved futile and the order was only more and more strogly confirmed. It was only in 1894 (Dewan's minute 15th November 1894.) that Sir Seshadri Iyer indicated the correct basis of a decision and called for report on evidence as to the actual custom prevailing between the parties concerned. A great quantity of evidence is recorded and Mr. Madaiya when Deputy Commissioner reported that the evidence showed that all parties went in front of the Sripadarajaswami Matt without stopping music &c, and that there was no reason to make an exception of the Majjigahalli Matt. This report of the Deputy Commissioner was based on the arzi embodying a memorandum by Amildar Seshadri Aiyengar. On this report and after several unsuccessful attempts by Government to effect a mutual reconciliation between the parties Government proceed to pass final orders-their Proceedings No. 85o, dated 17th January 1899. In this order the facts are recited as found by local investigation adversely to the Majjigahalli Matt and it is stated that -

"Government regret that the Deputy Commissioner's attempts to "effect an amicable settlement of this long standing dispute

"between the two Matts have been unsuccessful. The Government "must, however, now decline to direct any departure from the cus "-tom under which the Guru of the Majjigahalli Matt is not to "pass with processional music in front of the Sripadarajaswami "Mattat Mulbagal. The Guru of the former Matt can of course "pass in procession before the latter Matt, subject, however, to "the playing of the music being stopped, when the procession "passes in front of the main gate of the latter Matt.

2. "The Deputy Commissioner will communicate this order "to the Matts concerned and give due effect to it."

The committee regret to point out that this important record forming the basis of this order is not to be found in the file. The Secretary explained that a special search was made but had not yet succeeded. It is somewhat confusing to the committee that the Deputy Commissioner should after this investigation submit an opinion not hostile or unfavourable to Majjigahalli Matt. (see Mr Madaiya's report)

It was subsequent to this order that the Majjigahalli Matt has been urging reconsideration of this order adducing fresh evidence of a conclusive and even binding character in the shape of a niroop from the late Sovereign H.H. Mummadi Krishnaraja Wadiyar which directs,

> "On Friday the first day of the bright(??) lunar "fortnight in the month of Nija Vaisakha of the year "Khara (1831-32)
>
> "In the order of disposal according to the diary in "the Petition Branch.
>
> "Order to Ameel Venkatraya of Mulbagal.
>
> "The petition of the Anche Mutsaddi of Mulbagal in- "forms that while Srimath-paramahamsa-Vaishnava-matha-Sid "-dhantha-pravarthakethyadi Sri Pragnyanadhavathirtha "Swamy, the priest of Majjigahalli Matt, Mulbagal was pro- "ceeding from his Matt with music and insignia in order to "celebrate Vysa Puja, a party belonging to Srimath-parama- "hamsa-Vaishnava-matha-siddhantha-pravarthakethyadi Sri "Subodhanidhi Swamy, the priest of Sripadarajaswami Matt

"in Mulbagal, obstructed and dishonoured the former priest that "the Swamy was obliged to return to his Matt.

"The real state of things has been made known fully; "Mulbagal is a holy place of pilgrimage and many Sanyasins and "heads of matts visit the place to worship Sripadaraja Swami; "besides it is situated on the high-road to Tirupathi. While "such is the importance of Mulbagal, it is clear that the obstruc"-tion caused by Sri Subodhanidhi Swami is an act of coercion "through mere obstinacy and an idea of the assistance he could "get from his many disciples.

"On their pilgrimage to Tirupathi the heads of Utta-"radhi, Parakala and other matts often pass through Mulbagal and "the Sripadaraya Swami Matt has acquiesced in their using music & other insignia according to mamool. Even so, Sri Prajnyamadhava "thirtha Swami of Majjigehalli Matt is fully entitled to pass "with music and full insignia. The said Swamy has on many oc-"casions done so.

"Therefore if, hereafter, any person belonging to Sri-"padaraya Swami Matt cause any obstruction he ought to be warned and "the procession of Sri prajnyamadhava thirtha Swamy of Majjiganahalli "Matt made to take place without any hitch.

"Further procedure to be reported".

It may not be necessary to consider the subsequent order in agreement with this of the Superintendent of the Nundi doorg Division in No.228 dated 5th October 1843.

The Committee are satisfied with the genuineness of this evidence and regard it as of paramount importance having not only a special bearing on the case and parties now at issue, but also containing in it principles of policy applicable to Mulbagal with its peculiar feature of being a station with a shrine of pilgrimage in it and further being a station on way to Tirupathi, a place of pilgrimage to all Matts including -- eminent ones like that of Parakala Swamy and so forth. Before going to consider the broader effects of this order the committee point out with special reference to these two parties and to this dispute of procession, that this niroop declares

(30)

that Majjigehalli Matt is entitled to pass in front of Sripadarayaswamy Matt with all its insignia and music. So long as this evidence has to be accepted the conclusion is irrevocable that on the strength of this, the facts are established quite in -- favour of Majjigehalli Matt. It has to be noticed however that on the side of Sripadarayaswami no positive evidence is forthcoming. No citation of any circumstance is made showing on what - grounds they base their opposition. Beyond criticising evidence adduced on the opposite side, no proof of any kind is put forward in support of its own contention. Thus therefore, the Committee feel and think that it could safely submit its opinion on facts in favour of Majjigehalli Matt as to the title it possesses or as to its right to pass in front of the other att - viz: of Sripadaraya Swami and declare that such right is established.

But at this stage the Committee would beg leave to submit that it does not recommend to Government, adoption of - this finding of fact and issue of a rule in simple accord there -with. In the view of the Committee such a step would not secure a finality of this dispute. An executive order of that kind - would still tempt one party or the other to indulge in litigation in Courts speculating in visissitudes attendant on such - litigation. Nor will it be satisfactory to the parties who have come before Government for a final settlement between them. On consideration of this circumstance the Committee are desirous of once more going into detail in regard to the niroop of H.H. and of pressing upon the consideration of Government the full import of this niroop as a mandate, nay as a legislation, as the dictum of the ruler of the land with regard to the matter not -- simply between party and party but as a law to be abided by all in Mulbagal & by all parties concerned going there. It is a - sacred place in itself on way to another sacred place of foremost rank. It attracts people and matts not to itself merely but as a way to a more important place to which even rival - religions are devotees. Therefore this place should be free from hampering local customs. In Mulbagal, therefore, so far as much the

stronger reason Matts of the same main religious persuasion may not raise such difficulty in such matters.

Government may therefore order that the Deputy Com-missioner's Order No.77 dated 29th June 1876 did not correctly construe the Notification of the Chief Commissioner in 1868 but narrowed its scope as affecting even parties situated as the two Matts of the same sect and of the same religious persuasion and having regard to the proved facts of the case and the niroop of 1831-32 by His late Highness, direct that the order conveyed in the niroop should be strictly adhered to for observance in Mulbagal by all parties concerned.

And (viii). The following views of the Committee:-

The order of reference to the Committee directs that the most suitable form of settlement of this long standing dispute between the two Matts of Majjigehalli and Sripadarajaswami should be reported. Bearing this aim in mind, the Committee after first going over the history of this contention between the parties, considered that although basing its conclusion on facts, it could record a recommendation, unequivocall pronouncing in the affirmative and negative on the right claimed and denied by the first and the second party respectively, i.e., the

Committee preferred to adopt a course which having regard to the local condition of things has in it the soundest policy of terminating this matter satisfactorily, without further chance of its revival.

2. The origin of this dispute in the days of the Commission was in the year 1875, when induced probably by the opening ~~of~~ newly of the Mulbagal-Srinivasapur Road, Sripadarajaswami Matt opened a door on the north into this road. Its ancient doorway faced a lane on the East, which, while it was even then a public way of only secondary importance, necessarily fell off considerably lower on the creation of the new high-way.

3 It must be premised that the order promulgated in 1868 by the Chief Commissioner, regulating the processions of parties of different religions in front of places of worship, was the period of revival of many a smouldering and dormant rival spirit The case in question formed no exception. The Committee wish to lay stress on the point that as remarked above the spirit of hostility between these two contending Matts was revived after this procession order. It was in existence at a more ancient date, but it had been set at rest. It was forced up again when favored by such an opportunity. This the Committee will refer to more definitely hereafter.

4 As regards the enquiries made from time to time on the complaints of the parties, and the orders passed by the District

authorities on such investigations the Committee wish to be permitted to observe that the real spirit of the Chief Commissioner's order of 1868 was lost sight of in their natural anxiety as administrative Officers of the District and as Magistrates, bound to keep peace withput disturbance, but orders were passed to suit the occasion so as to keep away the parties at arms length without the least chance for a breach.

5 Mr. Krishnaiengar's order No.77 dated 29th June 1876 is to the effect that one Guru of a Matt is not to pass in front of another Matt and is set out in the most general terms. This order has to be specially noticed because, in experience from the date of notification of 1868 up to the present day, it is found that Matts of several sects following the same religion treat one another in the most amicable manner and do not object to processions of their friendly sects passing with music and insignia without any fear of molestation. Exceptions to this rule exist where special practice or custom has existed. All appeals against this order proved futile and the order was only more and more strongly confirmed. It was only in 1884 (Dewan's minute 15th November 1894) that Sir Sheshadri Iyer indicated the correct basis of a decision and called for report on evidence as to the actual custom prevailing between the parties concerned. A great quantity of evidence is recorded and Mr. Madiah when Deputy Commissioner reported that the evidence showed that all parties

went in front of the Sripadarajaswami Matt without stopping music &ca., and that there was no reason to make an exception of the Majjigehalli Matt. This report of the Deputy Commissioner was based on the Arzi embodying a Memorandum by Amildar Seshadri Iyengar. On this report and after several unsuccessful ~~efforts~~ attempts by Government to effect a mutual reconciliation between the parties, Government proceed to pass final orders- their Proceedings No. 850, dated 17th January 1899. In this Order the facts are recited as found by local investigation adversely to the Majjigehalli Matt and it is stated that "Government regret that "the Deputy Commissioner's attempts to effect an amicable settle- "ment of this long standing dispute between the two Matts have "been unsuccessful. The Government must however, now decline to "direct any departure from the custom under which the Guru of "the Majjigehalli Matt is not to pass with processional music "in front of the Sreepadarajaswami Matt at Mulbagal. The "Guru of the former Matt can of course pass in procession before "the latter Matt, subject, however, to the playing of the music "being stopped, when the procession passes in front of the main "gate of the latter Matt.

"2. The Deputy Commissioner will communicate this order "to the Matts concerned and give due effect to it."

6 The committee regret to point out that this important record forming the basis of this order is [illegible] [illegible] [illegible] found in the

file. The Secretary explained that a special search was made but had not yet succeeded. It is somewhat confusing to the Committee that the Deputy Commissioner should after this investigation submit an opinion not hostile or unfavorable to Majjigehalli Matt. (See Mr. Madiah's report).

7 It was subsequent to this order that the Majjigehalli Matt has been urging reconsideration of this order adducing fresh evidence of a conclusive and even binding character in the shape of a Nirup from the late Soveregn H.H.Kummadi Krishnaraja Wodayer which directs,

"On Friday the first day of the bright(??) lunar fort-
"night in the month of Nija Vaisakha of the year Khara(1831-32).

"In the order of disposal according to the diary in
"the petition branch.

"Order to Amil Vencataroya of Mulbagal.

"The petition of the Anche Mutsaddi of Mulbagal informs
"that while Sreemat- Paramahamsa Vaishnavamata- Siddhanta -pra
"vartaketyadi SreePragnya Madhavatheerthaswami, the priest of
"Majjigehalli Matt, Mulbagal, was proceeding from his Matt with
"music and insignia in order to celebrate Vyasa Puja, a party
"beloging to Sreemat- Paramahamsa- Vaishnavamatha siddhanta-
"pravartaketyadi Sree Subodhanidhiswami the priest of Sreepada
"rajaswami Matt in Mulbagal, obstructed and dishonoured the former
"priest that the Swami was obliged to return to his Matt.

"The real state of things has been made known fully; Mulbagal is "a holy place of pilgrimage and many Sanyasins and Heads of Matts "visit the place to worship Sreepadarajaswami; besides it is "situated on the high road to Tirupati. While such is the import "ance of Mulbagal, it is clear that the obstruction caused by "Sree Subodhanidhiswami is an act of coercion through mere ob- "stinacy and an idea of the assistance he could get from his "many disciples.

"On their pilgrimage to Tirupati the Heads of Uttaradi "Parakala and other Matts often pass through Mulbagal and the "SreepadarayaswamiMatt has acquiesced in their using music and "other insignia according to Mamul. Even so, SreePragnya Madhva "Theerthaswami of Majjigehalli Matt is fully entitled to pass "with music and full insignia. The said Swami has on many occa- "sions done so.

"Therefore if, hereafter, any person belonging to "Sreepadarajaswami Matt cause any obstruction he ought to be "warned and the procession of Sree Pragnyamadhava Theerthaswami "of Majjigehalli Matt made to take place without any hitch.

"Further procedure to be reported."

8 It may not be necessary to consider the subsequent Order in agreement with this of the Superintendent of the Nandi-drug Division in No. 228 dated 5th October 1843.

9 The Committee are satisfied with the correctness of

this evidence and regard it as of paramount importance having not only a special bearing on the case and parties now at issue, but also containing in it principles of policy applicable to Mulbagal with its peculiar feature of being a station with a shrine of pilgrimage in it and further being a station on way to Tirupati, a place of pilgrimage to all Matts including eminent ones like that of Parakala Swami and so forth. Before going to consider the broader effects of this order the Committee point out with special reference to these two parties and to this dispute of procession, that this <u>Niroop</u> declares that Majjigehalli Matt is entitled to pass in front of the Sripadarajaswami Matt with all its insignia and music. So long as this evidence has to be accepted the conclusion is irrevocable that on the strength of this, the facts are established quite in favor of Majjigehalli Matt. It has to be noticed however that on the side of Sripadarajaswami no positive evidence is forthcoming. No citation of any circumstance is made showing on what grounds they base their opposition. Beyond criticising evidence adduced on the opposite side, no proof of any kind is put forward in support of its own contention. Thus therefore the Committee feel and think that it could safely submit its opinion on facts in favor of Majjigehalli Matt as to the title it possesses or as to its right to pass in front of the other Matt- viz., of Sripadarajaswami and declare

Government may therefore order that the Deputy Commissione r 's order No. 77 dated 29th June 1876 did not correctly construe the Notification of the Chief Commissioner in 1868 but narrowed its scope as affecting even parties situated as the two Matts of the same sect under the same religious persuasion and having regard to the proved facts of the case and the Nirup of 1831-32 by His late Highness, direct that the order conveyed in the Nirup should be strictly adhered to for observance in Mulbagal by all parties concerned.

Passing final orders in regard to the dispute between the Majjigehalli and Sreepadarajaswami matts at Mulbagal.

To

V. P. Krishna Murthy Esq.,

B. L., C. I. E.,

Dewan to His Highness the Maharaja of Mysore.

The Memorial of His Holiness the Swami of Sripadaraja Mutt of Mulbagal by his agent Seshachar.

Respectfully Shewth,

1. That the committee appointed by the Government as per official Memo No. 1812—1816, dated 11th May 1902 for the purpose of considering and reporting upon a suitable settlement of the dispute between their Holiness the Swamies of the Sripadaraja mutt and Sree Majjegahalli mutt at Mulbagal, erred in doubting as per para 6 of the Committee report the existence of the Government Proceedings No. 850 Dated 17th January 1899 which the committee call an important record.

2. That the said Proceedings are published in the Government monthly Proceedings of January 1899 and the committee has not referred to the said Proceedings as it was not brought to their notice.

3. That the order of the Chief Commissioner in 1868 ,the order of the Kolar Deputy Commissioner in 1876 and the order No. 63, dated 17th January 1879, the Dewan's proceedings No. 1560, dated 15th October 1887, Government order No. 8444—158, dated 16th December 1892 and the Dewan's proceedings No. 850, dated 17th January 1899 published in the monthly proceedings of Government in January 1899; all the above orders and proceedings support the contention of the petitioner and clearly show that the swami of Majjegahalli mutt has no right whatever to pass in front of Mulbagal Sripadaraja swami mutt. The committee have not properly considered the above orders and proceedings and in fact did not consider the Dewan's proceedings of January 1899 as the committee doubted its existence and have not given due effect to them.

4. The dispute arose only after the formation of the road in front of the mutt of the petitioner in 1876 and there could not have been any dispute prior to that date as there was no road in front of, or close to it. As the road for the first time was formed in 1876, the order of the Deputy Commissioner in 1868 settled the dispute based upon the order of the Chief Commissioner in 1868 and the spirit of the said order, was confirmed by the Dewan in his proceedings of 1887 and 1899.

5. The Sree Swami of Majjegahalli mutt has not shown or proved any instance of his ever having passed in front of the petitioners mutt, since 1876, the time of dispute, nor has he produced any orders in support of the contention since 1876, or prior to it, and further the said order of 1876, and the Government proceedings of 1887 and 1899 have been acted upon for more than thirty years.

6. The petitioner begs to state that the Nirupa of 1831—1832 is not genuine as it bears no signature or seal and as there is nothing to show that it was ever

acted upon, and as the report as mentioned theron is not forth coming, and if it had been in existance it would have been relied on by Sree Majjegahalli swami long long ago. The said Nirupa, even, if true, refers to a place a mile and half distant from Mulbagal on the high road to Tripati where the petitioner, Sripadaraj swami worship at the time of Vyasapooja, and to which sanyasies and other heads of the mutt resort to make " Sêvas " *i. e.*, or go round the " Brindavina " and prostrate as per passage quoted in Nirupa.

> " Mulbagal is of Holi pilgrimage and many sanyasies and heads of the mutt visit the place to worship the Sripadaraja swami, besides it is situated on the high road to Tripati " The place to worship Sripadaraja swami as mentioned above is situated a mile and a half from Mulbagal municipality. The Nirupa, even, if true, does not refer and cannot refer to the road in front of the petitioners mutt as it was formed for the first time in 1876 and as there was no road prior to 1876 and as such it cannot support the contention of Sree Majjegahalli swami.

7. The order of Superintendent of Nundidurg division No. 228, of 5th October 1843 does not bear the signature, nor the seal, and does not support the contention of Sri Majjegahalli swami. The said order even if true, does not allude to the Nirupa of 1831—32 and should have necessarily referred to it, as it was passed not long after the Nirupa, and further it refers to the high road to Tripati and Madras at a distance from the mutt of the petitioner. Between the road and the mutt there are Inam lands of the petitioner's and as such the road is far from the mutt and not in front of the mutt and it could not refer to the road formed in 1876.

8. The committee have recommended that the orders contained in the Nirup of 1831—32 should strictly adhered to by all the parties concerned and the Government accepted the views of the committee. The petitioner begs to state as mentioned above, and for reasons stated above, the recommendation of the committee and the orders passed by the ~~Committee~~ Government refer to a place on the high road to Tripati and Madras as mentioned in the Nirup which is a mile and a half from Mulbagal The orders of 1876 and the Dewan's proceedings of 1887 and 1899 cannot be set aside by the Nirupa of 1831—32 even if held to be true, as the Nirup refers to a dispute on the high road to Tripati and Madras a mile and a half distant from Mulbagal and as it cannot refer to the road formed in 1876, and the dispute that arose in 1876, since the fomation of the road in front of the Mutt of the Petitioners has been settled in favour of the Petitioner by order of the Deputy Commissioner of Kolar in 1876 and the Dewan's Proceedings of 1887 and 1899, as such the Nirupa of 1831—32 cannot have any effect to alter the said order and Government Proceedings.

The Petitioner prays the Government may be pleased to consider all the circumstances set forth above and to pass such orders as the Government may deem proper after perusing this petition and hearing both parties. As both the parties are heads of Mutts, the Petitioner further prays the Government, to permit them to engage advocates to state their respective cases before the Government.

The Petitioner further prays the Government may graciously be pleased to pass an order to the Deputy Commissioner of Kolar District and to enforce the orders of Government Proceedings No. [illegible] dated 28th July 1902 pending the disposal of this petition

Endorsement in reply to the petition presented by Hebbani Naranachar to the Deputy Commissioner stating that Majjigehalli Swami goes in front of Sri Sreepadaraja Swami Mutt with marks of honor &c. in contrary to "Mamool."

There is an order to the effect that the public should not go with music in front of places of worship. Therefore either the petitioners or the Swami mentioned in the petition should not go in front of each other's Mutt with music.

The fact that serious notice will be taken of them, if they do so, should be informed to both of them.

Order thereon Camp No. 1560, dated camp Mysore 15—24th October 1887.

The order of the late Deputy Commissioner, dated 29th June 1876, No. 749—77, Prohibiting the passing of the Majjigehalli Mutt Swami with Music in front of the Sreepadaraj Swami Mutt which was also confirmed by the present Deputy Commissioner in the first instance, should not be disturbed.

The alligation that the Sreepadaraj Mutt, about 12 years ago opened a new gate on the North opening into the main road is of no importance as the Deputy Commissioner's order of 29th June 1876, had reference to that particular gate. More-over the period for which this gate has been admittedly in existance is so long as to render is undesirable now to deprive the Sreepadaraj Mutt of the privillage claimed with reference to procession passing in front of this gate. It is inexpediment to rivive disputes of this kind, which have been set at rest once, and the Deputy Commissioner's orders, dated 6th July 1887, prohibiting the Majjigehalli Mutt from passing with music in front of the Sreepadaraj Mutt and hereby confirmed and must be duly enforced.
